

# Year 5 Maths Homework - set 18<sup>th</sup> May

Due - Monday 1<sup>st</sup> June

Name: \_\_\_\_\_

Parent Signature \_\_\_\_\_

Your homework this week (and over the half term) is to complete the paper copies of Times Table Rockstars in this booklet which revisit previously learnt times tables. Please ask a parent to check your work, write your score and possibly time you if you wish. Please use the times tables in your study log to help if this is something that helps you.

Please also log onto Times Tables Rockstars and complete the 20 Garage sessions you have been assigned. Your log in details are stuck in your study log. The times tables have been set to a level in which your teacher thinks you should be able to do but if you have any questions about this, please contact your teacher. You can access the game on a computer, tablet or a phone. If you do not have access to a suitable device, please tell your teacher and we will find time for you to complete it.

5 WAM for completed paper copies and 5 WAM for completed online TTRS!
