

## Half term challenge!

Can you 'Connect' over half term?

Every time you do, colour in a leaf—you could even use autumnal colours! Can you jot down what you did inside the leaf too?

Bring back to school to share and inspire others :-)

Some ideas....

**Connect** with a person...send a postcard....phone a relative....play a game with a friend....share a book....

**Connect** with nature...collect leaves of different colours....go for a wet and windy walk....make some art out of fallen conkers/leaves/twigs....go on a nature scavenger hunt ...

Name and class: \_\_\_\_\_
